**UNDERGROUND UTILITY STUDY SET TO BEGIN
IN GLEN ELLYN CENTRAL BUSINESS DISTRICT**

Glen Ellyn, IL – The Glen Ellyn Central Business District (CBD) Underground Utility Study is set to get underway the week of September 5. The first phase of the study will include televising approximately 20,000 feet of storm and 12,000 feet of sanitary sewer mains, plus service lines in the downtown area. Sewer televising will take approximately 8 weeks to complete. Remaining components of the study consist of smoke testing of sewers, manhole inspections, dye flooding of sewers, inspections inside the buildings and watermain inspections. More information and additional notices describing the scope and timing of the remaining components of the study will be provided as the project progresses.
