Parking Notice

Civic Center Parking Lot Changes

As you may be aware, beginning in December 2018, the Civic Center will undergo major renovations. Due to limited space and the need to stage construction equipment in the Civic Center lot during construction, parking will be prohibited during certain hours.

Please note that effective Monday, December 3, 2018, parking in the Civic Center lot will be restricted to Village employees and Civic Center customers only, Monday through Friday during the hours of 7:30 a.m. and 4:30 p.m. Outside of the aforementioned hours, the parking lot will be available for use without fees. Please keep in mind that cars parked in the lot overnight must be moved by 7:30 a.m. The Glen Ellyn Police Department will be monitoring the Civic Center parking lot to enforce the new restrictions.

We appreciate your patience and offer the following suggestions for parking alternatives in the area:

- **Main Street Parking Lot** – six hour meters available
- **Forest Avenue, South of Duane Street** – 4 hour street parking available
- **Park & Prairie Path Lot** (train station lot) – free after 11 a.m. and on weekends
- **Main & Prairie Path Lot** (train station lot) - free after 11 a.m. and on weekends

For further help in navigating where to park in downtown Glen Ellyn, interactive downtown parking maps can be accessed on the Village's website at www.glenellyn.org. The maps can be found under "Online Services" by selecting "Maps". Additionally, you may contact Community Service Officer Rick Perez at 630-469-1187 for further information.
