**GLEN ELLYN TO UPDATE VILLAGE'S COMPREHENSIVE PLAN**

**Glen Ellyn, IL –** In June 2018, the Village Board approved an agreement with Hauseal Lavigne Associates, a professional consulting firm, to update the Village's comprehensive plan. Glen Ellyn's existing plan was previously adopted in 2001. The new plan, expected to be complete in spring 2019, will act as a blueprint for the Village's future by assessing the community's existing conditions, vision for the future and opportunities for growth. The plan is vital to guiding strategies, policies and decision making for the next decade and beyond.

The comprehensive plan will address a range of issues including land use, transportation and infrastructure, parks and open space, economic development, and more. In addition, the plan will include detailed subarea plans for key areas of the community, including downtown, the Roosevelt Road corridor and Stacy's Corners area.

Resident, business and youth input is key in making the comprehensive plan update a success. Through an online survey, input is sought to help identify the issues, opportunities and priority projects to be addressed. The deadline to participate in the surveys has been extended to September 30, 2018. Surveys and project updates are posted on the project website, which can be accessed by going to the Village website at [www.glenellyn.org](http://www.glenellyn.org) or directly at [www.hla.fyi/glenellyn](http://www.hla.fyi/glenellyn).
