## VALET PARKING PILOT PROGRAM FOR DOWNTOWN BEGINS FRIDAY, NOVEMBER 30

In a continuing effort to improve parking in the Central Business District, the Village is partnering with restaurants on a pilot program to test weekend valet parking in the downtown area.

During this pilot program, which will begin this Friday, November 30 and run through March, free valet parking will be available on Friday and Saturday evenings for patrons dining at participating restaurants. Those restaurants include:

- **Fire and Wine**, 433 N. Main Street
- **Maize + Mash**, 430 N. Main Street
- **Nobel House**, 421 N. Main Street
- **Santa Fe Mexican Restaurant**, 426 N. Main Street
- **Shannon's Irish Pub**, 428 N. Main Street

Access to the valet parking will be located on the south side of the railroad tracks, between Duane Street and Hillside Avenue. Specifically, on the west side of the street. Use of the valet parking is available to all visitors of the downtown area; however, a fee will apply to those not dining at the participating restaurants.

The program is jointly funded by the Village and the five participating restaurants. An assessment will occur to evaluate the continuation of the program beyond March.
