

ALERT: Special Branch & Brush Collection

In light of the recent snow event, the Village's branch & brush contractor, separate from Groot, has collaborated with the Village to offer residents a special, one-time collection for debris caused by the storm.

The special collection will occur similar to the annual program that spans mid-May through mid-October. The pick-up schedule is as follows:

Monday, December 3: Residents on Hill Avenue and North of Hill Avenue

Monday, December 10: Residents South of Hill Avenue

The following guidelines apply for this special branch and brush collection:

- NO stickers needed.
- Material should NOT be bundled or put in containers.
- Branches may not exceed 10-inches in diameter.
- No root balls or dimensional lumber.
- Professionally cut trimmings are not included.

Please take note that material must be out at the curb by 7 a.m. on the collection day, but may take several days for pick-up.

Additionally, Groot has extended leaf collection one week, with stickers affixed. The final week for leaf collection will be Monday, December 3, until it resumes in the spring. The final week for this collection will be Monday, December 3, until it resumes in the spring.
