NOW HIRING

Plant Laborer (part-time) Glenbard Wastewater Authority

DESCRIPTION:

The Glenbard Wastewater Authority (GWA) is currently recruiting for one (1) part-time, entry-level Plant Laborer position. This is a semi-skilled position responsible for various tasks at a wastewater treatment facility.

ESSENTIAL FUNCTIONS:

- Assist with tasks on wastewater treatment equipment and associated components.
- Be self-motivated and to be able to work alone on assigned laborious projects such as painting, organizing, hosing of tanks and miscellaneous housekeeping activities.
- Operate gates, valves, pumps and other operating equipment either manually or automatically.
- Perform preventative maintenance tasks and activities.
- Become familiar with locating sources of trouble and report malfunctions and potential remedies to the Operations Superintendent.
- Works to effectively solve any conflicts discovered.

QUALIFICATION REQUIREMENTS:

Applicants must have a high school diploma or equivalent; knowledge of wastewater treatment processes a plus, but not required. Successful candidates will possess a general knowledge of mechanical equipment, and demonstrate the ability to effectively interpret and carry out a variety of instructions related to wastewater plant maintenance and operation. Must also have a valid driver's license at the time of application, and be able to perform mathematical calculations; the ability to comprehend, retain, and apply the Authority's rules and procedure manuals, including any pertinent Federal, State, or local laws is a required skill set; must also be able to communicate effectively both orally and in writing. Proficiency in using computer systems for monitoring is a plus.
