This note provides you with information regarding what happens to a petition once it has appeared before the Architectural Review Commission. After the Commission makes a recommendation on the petition, a report of the meeting is prepared. Then, the petition, along with the summary report and all pertinent material, is scheduled for consideration by the Village Board. The Village Board meets in a meeting room on the third floor of the Civic Center, 535 Duane Street, on a Monday evening at either 7:00 or 7:30 p.m. to consider the petition, and then at 8:00 p.m. on a Monday evening for a formal vote on the petition. Additional meetings on Monday evening to continue discussion of the petition may be scheduled as necessary. The Village Planning and Development Department notifies the petitioner each Friday before their request is scheduled for consideration at a Village Board meeting. Questions regarding items scheduled for review on the Village Board agenda should be directed to the Planning and Development Department at (630) 547-5250.

Individuals with disabilities who plan to attend the hearing and who require certain accommodations in order to allow them to observe and participate, or who have questions regarding the accessibility of the meeting or facilities, are requested to contact the Village at least 24 hours before the meeting.
