Dear Interested Citizens:

This note provides you with information regarding the process of amending the Village Code. Once public comments, discussions and considerations have been completed, the Building Board of Appeals makes a recommendation to the Village Board. The recommendation, along with the meeting minutes, summary report and all related material, is then scheduled for consideration by the Village Board at one or two meetings. The recommendation may first be considered by the Village Board at a workshop meeting, which will be held on a Monday at 7:00 p.m. The recommendation may then be considered at a formal meeting of the Village Board one week later at 8:00 p.m., for a formal decision. To confirm exact dates for these Village Board meetings, please call 630-547-5241. The Village Board meets in the Board Room on the third floor of the Civic Center, 535 Duane Street.

Individuals with disabilities who plan to attend the hearing and who require certain accommodations in order to allow them to observe and participate, or who have questions regarding the accessibility of the meeting or facilities, are requested to contact the Village at (630) 469-5000.
