

MINUTES OF OCTOBER 4, 2010, TREE PROTECTION
SUBCOMMITTEE OF ENVIRONMENTAL COMMISSION

Present:

Adam Kreuzer

Laura Glaza

Bob Marcott

Lee Neary

Public participation:

Linda Gilbert

The subcommittee discussed methods to educate owners/developers, owners of property adjacent to construction activities, and the general public about best tree protection practices. The subcommittee will search for literature that can be delivered to owners of property adjacent to construction activities, along with the proposed Tree Preservation Plan, that will inform about what activities are dangerous to the health of trees, shrubs and hedges, and how potential damage from construction activities can be lessened.
