

MINUTES OF OCTOBER 11, 2010, TREE PROTECTION  
SUBCOMMITTEE OF ENVIRONMENTAL COMMISSION

Present:

The subcommittee reviewed the Heritage Tree proposal from the 2006 Environmental Commission Tree Preservation proposal to the Board. Discussion was held on the definition of a heritage tree, and whether such an ordinance would be effective and widely-used, and whether it would unfairly hamper development by subsequent owners. The subcommittee decided to move forward at its next meeting with its examination of tree protection issues on private property and to examine the heritage tree proposal in that context.
