

Minutes

September 27, 2011 Environmental Commission Subcommittee

Present: Chairman Kreuzer, Commission Chairman Neary, Commissioners Bateman, Glaza, Rahn, Pellico, and Temico, Staff Liaison Letson

Excused: Commissioners Flood and Wescott

The Subcommittee meeting addressed the content of the proposed final draft Resolution to Plan Commission regarding the proposed lights at Memorial Field. Previously, the full Commission had voted to maintain the tone of the draft. All Commissioners had been invited to attend the Subcommittee meeting to address any thoughts he/she may have about content. All but two (2) members chose to attend.

Those present, including Andrew Letson, voiced their thoughts, concerns, ideas regarding the proposed final draft. Changes were made to the prior draft and the final content was approved. The final draft was prepared for submission to the full Commission for vote regarding whether the Commission would want the Resolution, as drafted, submitted to the Plan Commission. The final draft is attached to the Minutes of the Special Meeting of the full Commission on September 27, 2011.

Respectfully Submitted by: Adam Kreuzer, Chairman, Environmental Commission Memorial Field Subcommittee
