VILLAGE OF GLEN ELLYN
Fire Prevention Award Program
As of July 15, 2014

Purpose

The goal of the Village of Glen Ellyn Fire Prevention Award Program is to assist businesses and property owners with meeting life safety code improvements and assisting in preserving the unique building stock within the downtown. The program supports the installation of fire alarm and sprinkler systems in buildings located in the C5A and C5B business districts. Businesses/property owners participating in the Village's Downtown Retail Improvement Award Program are not eligible for this Award program, however, fire safety improvements are eligible and required under that program as well. The Village Board reserves the sole right to amend, modify, add, or delete any part or subpart of this program.

Assistance Available

Approved projects are eligible to receive Fire Prevention Award in an amount not to exceed \$15,000, as determined by the Village Board. Awards will be formally issued after the fire safety improvements are completed and all requested documentation is received and reviewed by the Village to verify completion.

Eligible Improvements

This program provides awards for installation of fire safety and suppression systems. Types of improvements include but are not limited to:

In general, changes to the project scope will not be considered for supplemental assistance after award approval is obtained. Unforeseeable changes will be considered on a case by case basis.

Rather, the award is designed to encourage business to make their own investment into fire prevention. Awards are only valid if the fire prevention improvements in question are completed within a year of the date of the Award approval. Written requests for time extensions may be considered by the Village Manager.
