2. **IMRF Employer Contributions: (\$25,500)** To comply with Illinois law governing the Illinois Municipal Retirement Fund, we are increasing the number of staff participating in this retirement program. In addition, the employer contribution rate is increasing from 5% in 2007, to 6½% in 2008, to 9% in 2009.
3. **Employee Education: (\$4,500)** As part of our employment arrangement with seasonal staff Assistant Golf Professionals, we pay the cost of the education required for membership in the Professional Golfers Association of America. The expense level in this line item varies in those years when a staff member qualifies for this education.
4. **Credit Card Fees: (\$54,000)** We changed credit card processors in 2008, resulting in a reduction in processing fees. The total dollars processed continues to grow, due to successful marketing by credit card companies promoting items like rewards cards. Rewards cards are doubly expensive for merchants because they carry significantly higher processing fees.
5. **Printing: (\$16,200)** Includes the cost of printing newsletters, brochures, business forms, envelopes, and stationery, and score cards.
6. **Club Repair: (3,500)** Club repair revenue exceeds expense and is reported in Miscellaneous Revenue 5500-89000.
7. **Handicap Fees: (22,000)** We provide golf handicaps as a service to our customers. We collect a fee from each handicap customer that covers the handicap fee charged to us by the Chicago District Golf Association. Handicap Revenues are reported in Miscellaneous Revenue 5500-489000.
8. **Professional Services – Other: (\$19,000)** Began using a cleaning service to do janitorial work in the clubhouse in 2008 at a cost of \$500 per week, \$20,000 annually. Also includes funds for website maintenance.
9. **Telecommunications: (\$18,300)** Includes a Yellow Pages listing program that provides display ads and in-column ads in Yellow Pages directories in the greater DuPage County area, at a cost of about \$15,000 annually. This expense was lowered beginning August 2008, as a major display ad was inadvertently omitted.
10. **Operating Supplies: (\$75,000)** Includes driving range balls and baskets. Includes score card pencils, janitorial supplies, rest room supplies, and office supplies. Includes rental of equipment for special events (tents, tables, chairs, linens, etc.).
