

Fiscal Year 2009/10 Second Quarter Budget Report

This report highlights the financial performance and position of the Village for the period starting May 1, 2009 and ending October 31, 2009 with a focus on actual revenues and expenditures compared to our 2009/10 approved budget as well as actual revenues and expenditures compared to the previous 2008/09 fiscal year. More detailed information on the fiscal year to date performance of each of the Village's 14 funds may be found immediately following this overview.

GENERAL FUND

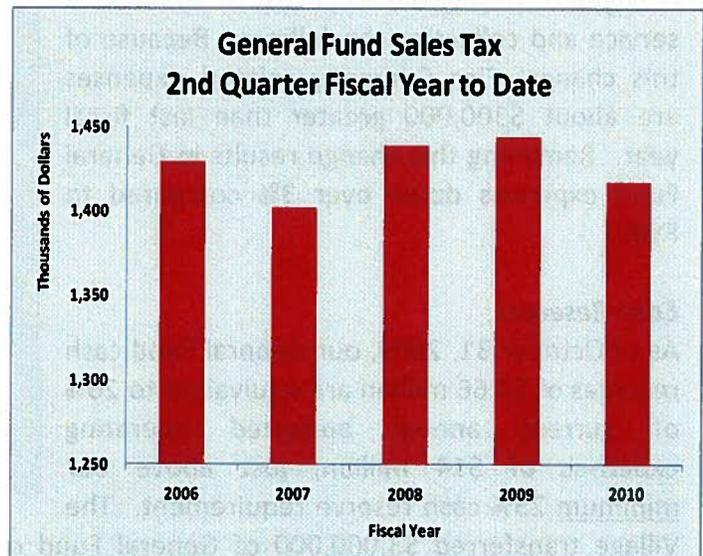

The Village concluded the second quarter of our 2009/10 fiscal year with General Fund revenues in excess of expenditures by \$711,000. A significant surplus is expected in the second quarter of each fiscal year as we have received nearly our entire property tax levy during this period while expenditures typically come in around 50% of budget. This year's second quarter surplus is down about \$322,000 or 31% compared to last year.

General Fund Revenues

Second quarter General Fund revenues were down by \$215,000, or about 2.7% compared to the same period last year.

Sales tax, the General Fund's single largest revenue source, was down approximately 2% through the second quarter. State-wide sales tax receipts are down over 13%, so Glen Ellyn is holding up well in this revenue source. This is likely due to our retail base including a large grocery component. (See page 3 for 10-year history).

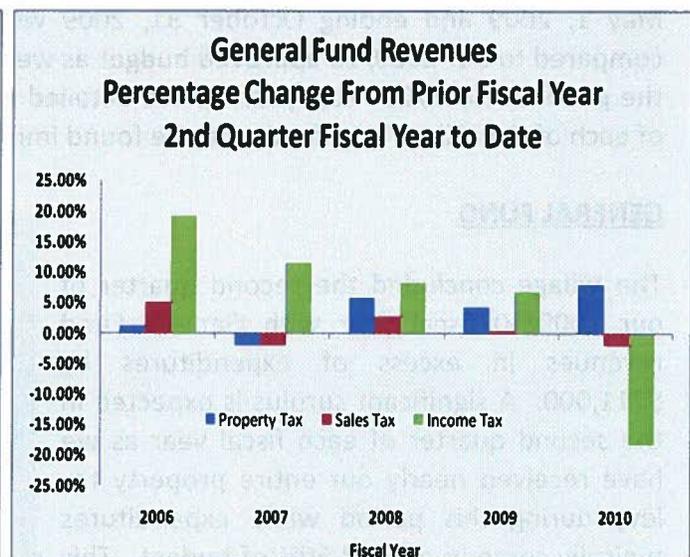

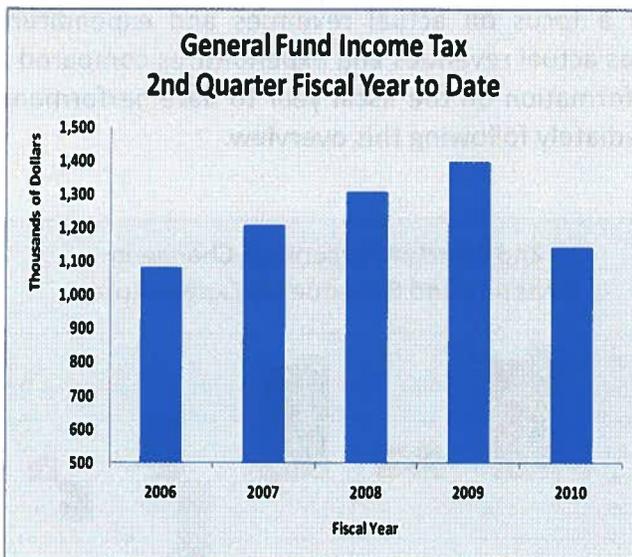

Our new 1% home rule sales tax went in to effect July 1 and our initial collection of

\$122,000 was received in October. This is inline with our estimate of around \$1.5 million annually. As receipts come in over the next quarter, we will have a better picture of this new revenue's performance.

State income tax has experienced a precipitous decline of \$254,000 or 18% lower compared to the prior year. (See page 4 for 10-year history).

Interest earnings fell by over 90% compared to the second quarter of FY09 as the Federal Funds rates continues to hover near zero. Rates on Village deposit accounts are currently around 0.5% versus over 2% in the second quarter of FY09.

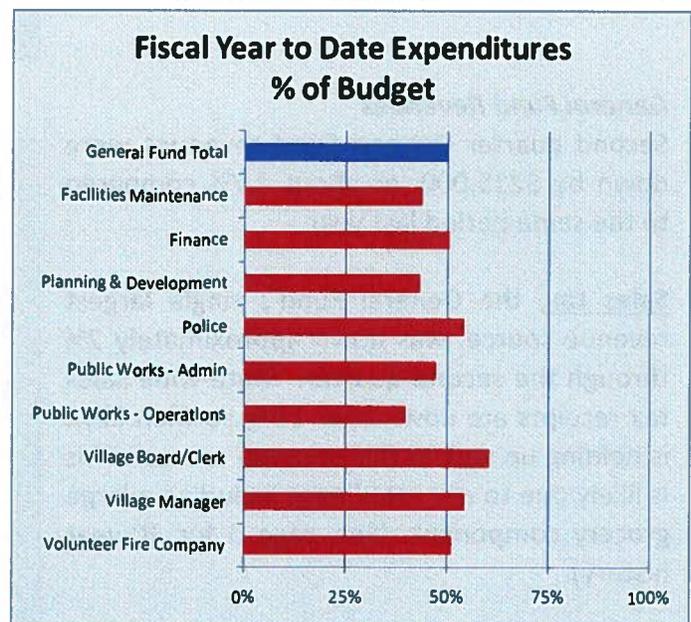

General Fund Expenditures

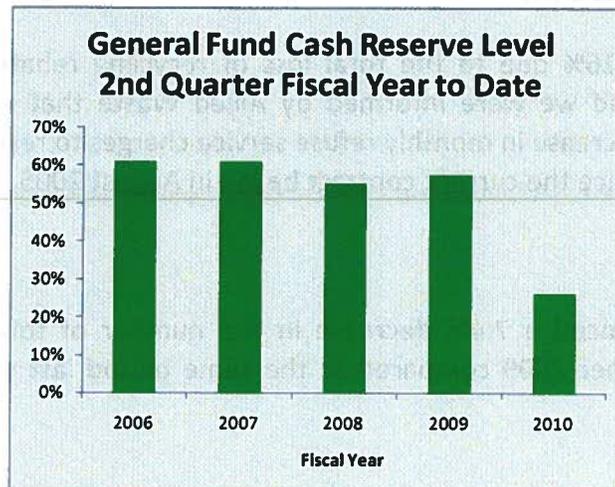

General Fund expenditures ended the second quarter \$106,000 or 1.5% above last year, and within budget at 50%. In FY10, the Village changed to paying the total cost of ambulance service and collecting the billings. Because of this change, Fire Company related expenses are about \$300,000 greater than last fiscal year. Removing this change results in General Fund expenses down over 3% compared to FY09.

Cash Reserves

As of October 31, 2009, our General Fund cash reserves of \$3.66 million are equivalent to 26% of current annual budgeted operating expenses of \$14 million, just above our minimum 25% cash reserve requirement. The Village transferred \$3,000,000 of General Fund reserves to the Capital Projects Fund in FY09 to

support the Village's 20 year street improvement program. Our current cash reserves are appropriate and sufficient for cash flow purposes to support general operations through out the year and for potential emergencies, but will require us to maintain our focus on balancing current expenses with current revenues.

CAPITAL PROJECTS FUND

The Capital Projects fund has received property tax revenue of approximately \$900,000, nearly the entire levied amount. This "new" revenue source for the Capital Projects Fund is reallocated property tax that was previously dedicated to debt service on bonds issued to support the Village's infrastructure replacement programs. As our existing debt is paid off, additional property tax revenue will be reallocated to create an ongoing funding source for our 20 year street program. Transitioning to a "pay as we go" basis will allow the Village to be debt free by 2014.

Electricity tax revenue is down about 9% year to date, likely due to the cool summer. Real Estate Transfer Tax receipts have improved since the first quarter and are only down about 24% compared to last year as the national slump in the housing market seems to have stabilized somewhat for the time being.

The Capital Projects Fund cash reserves are positive as a result of the \$3,000,000 transfer of reserves from the General Fund made in FY09 to support the Village's street improvement program until the reallocated property tax revenue becomes the primary funding source.

WATER AND SEWER FUND

The DuPage Water Commission began passing the City of Chicago's three year, 50% increase for Lake Michigan water to member municipalities. To cover the rise in cost, the Village increased water rates by 7.6% beginning July 1. Metered water revenue is up only about 3.6% year to date due to decreased usage, however operating costs are up over 22% due to the cost of water.

The Water and Sewer Fund's cash reserves remain negative due to encumbrances for planned infrastructure projects in the current fiscal year. This is not a cause for immediate concern since

several projects will not be completed for some time. We continue to watch this fund closely to ensure proposed infrastructure improvement projects included in our long-range capital plan stay within our ability to pay for them using current revenue streams paid by system users.

RESIDENTIAL SOLID WASTE FUND

Revenue is down about 16% due to the total loss of recycling rebates. The recyclables market collapsed in late 2008 and we were informed by Allied Waste that we would no longer receive recycling rebates. A 5% increase in monthly refuse service charges to residents begins in August. This is the first rate increase since the current contract began in August 2005.

RECREATION FUND

The Village Links experienced a 7.4% decrease in the number of total rounds played from May through the end of October 2009 compared to the same period last year with revenue from play down about 9%.

PENSION FUND

As of October 31, 2009, the Police Pension Fund cash and investment balances were \$19.2 million, nearly the same as they were at the end of the second quarter last year, but up about 10% from \$17.5 million at April 30, 2009. The increase includes \$813,000 from the Village General Fund for the FY10 required annual pension contribution.

FOOTNOTES

1. **Sales Tax:** Sales tax receipts for FY10 decreased by 1.9% over the same quarter last fiscal year. See page 3 for a 10 year history.
2. **Property Tax:** The Village receives about 50% of its budgeted property taxes in June of each year and the remaining 50% in October.

3. **State Income Tax:** Income tax revenue is down over 18% compared to FY09. Our budget was based on IML projections of a 2.5% decrease in FY10. IML has since revised their income tax estimate to a 15.5% decline from FY09.
4. **Home Rule Sales Tax:** The state began collecting the local 1% sales tax in July, however, there is a three month lag between collection and payment to the Village. October's \$122,000 is on target with budgeted projections.
5. **Interest Income:** Interest income is down over 90% compared to last year. Interest rates are currently around 0.5% compared to over 2% during the same quarter last year.
6. **Ambulance Fees:** The Village's new ambulance service began in June. Collections from initial billing began to arrive at the very end of October.
7. **Volunteer Fire Company:** Expenses are up significantly due to the change in ambulance service which is paid out of this budget. The Village is now paying for all ambulance costs which are then offset by ambulance fees.
8. **General Services:** The General Services division was eliminated in the FY10 budget and the expenses allocated to the departments with primary responsibility.
9. **Cash Reserves:** General Fund cash reserves are just over the 25% minimum reserve after the \$3,000,000 transfer to support the Capital Projects Fund in FY09.

FOOTNOTES

1. **DMMC Loan Repayment:** A total of \$3,576 has been received from the DuPage Mayors and Managers Conference for payment on a \$125,000, 20-year loan the Village made in FY01 to assist in the acquisition and renovation of their facility in Oak Brook.
2. **GE Park District Loan Repayment:** The Village made a \$1,000,000 interest free loan to the Park District to assist with the demolition of the Maryknoll Seminary in 2000. The Park District pays \$100,000 by December of each year.
3. **GEHS Loan - 820 N Main:** The Village purchased the property at 820 N Main in 2008 at a final cost of \$463,100 for use by the Historical Society. The Historical Society is scheduled to begin reimbursing the Village in FY10.
4. **Rent GEHS Properties:** The Village collects rent from tenants at the History Society properties. All rental revenue goes toward offsetting the amount due from the Historical Society for the purchase of the History Park properties.
5. **Cash Reserves:** In FY09 The Village made a one time transfer of cash reserves to the Equipment Reserve Fund to purchase two new ambulances (\$304,000) and paid off the 2006 IMRF early retirement program costs (\$393,000).

FOOTNOTES

- Property Taxes (SSAs):** The Village transfers all the Special Service Area property taxes from properties located in our commercial areas to the Glen Ellyn Economic Development Corporation as they are received.
- Hotel / Motel Tax:** Receipts from this revenue source have increased due to the reopening of the newly renovated Crowne Plaza.
- Economic Development:** Increase over FY09 is due to budgeted support funding to the EDC and Glen Ellyn Alliance as well as greater usage of the façade grant program.

FOOTNOTES

- Property Tax:** Beginning in FY10, a portion of the Village's property tax levy previously dedicated to debt service was reallocated towards maintaining the 20 year street program.
- Electricity Use Tax:** This utility tax is down about 8.5%, most likely due to the cool summer conditions.
- Real Estate Transfer Tax:** Real Estate Transfer Tax revenue is down about 24%, still indicative of a sluggish housing market nationwide.

FOOTNOTES

1. **Parking Income:** Parking revenues for the second quarter are at 21% of budget. This situation is fairly typical because parking permits are usually purchased on an annual basis and are renewed in the month of December each year. As a result, revenues are expected to "pick-up" during the third quarter.
2. **Capital Outlay:** Planned capital improvements for FY10 have not yet occurred.

1. **Payments by Other Agencies:** Glenbard Wastewater Authority and Glen Ellyn Public Library
2. **Liability Insurance:** The premium for the MICA insurance pool for property, liability, and workers compensation is paid early in the fiscal year. This year's premium increased 32% due to poor claim experience.
3. **Cash Reserves:** With the change from a self funded health insurance program to membership in the IPBC pool, we have been essentially transferring a portion of our reserves previously held to pay claims to the new plan.

(a) Encumbrances represent the unexpended portion of approved contracts for goods and services as of the end of the quarter. While encumbrances are not expenditures, they do represent a reduction in the level of available spendable cash at the close of the quarter.

(b) The level of required reserves is generally established as a percentage of the current year budgeted expenditures (excluding capital).
 * Items denoted with an "*" are "operating funds" and are subject to the Village Board 25% minimum cash reserve policy. This policy requires that at least 25% of the operating budget (excluding capital outlay and debt service) be retained as reserves. The remaining funds either have no required reserve policy or have other specific reserve levels. These are explained in the footnotes on the next page.

The following footnotes correspond to the numbers on the left of the schedule on the previous page.

1. **General Fund** - Amount subject to reserve is 25% of FY budget minus capital expenditures (\$14,047,000 x 25% = \$3,511,750).
2. **Corporate Reserve Fund** - All Corporate Reserve Fund cash is reserved for emergency needs or for assisting other Village funds or local organizations via loans.
3. **Motor Fuel Fund** - All Motor Fuel Tax revenue from the State is reserved by law for street maintenance.
4. **Special Programs Fund** - Amount subject to reserve is 25% of FY10 budget minus capital expenditures (\$687,000 x 25% = \$171,750).
5. **Debt Service Fund** - The cash in the Debt Service Fund represents funds accumulated from various sources to pay for principal and interest costs on the Village's outstanding debt obligations. These dollars are not available for reallocation.
6. **Capital Projects Fund** - Essentially all of the Capital Projects Fund cash is reserved. Bond proceeds, real estate transfer taxes, and utility tax revenues are reserved for specific, future street and storm sewer capital projects promised to our citizens in calendar 2000, as part of our 20-year street and storm sewer improvement plan.
7. **Facilities Maint. Reserve Fund** - This reserve is established for future replacement of major Village building components in the Civic Center, Reno Public Works Building, Fire Stations 1 and 2, Stacy Tavern Museum and the History Center. These funds are not available for reallocation.
8. **Water and Sanitary Sewer Fund** - Amount subject to reserve is 25% of FY10 budget minus capital expenditures (\$7,087,600 x 25% = \$1,771,900).
9. **Parking Fund** - Amount subject to reserve is 25% of FY10 budget minus capital expenditures (\$491,000 x 25% = \$122,750).
10. **Residential Solid Waste Fund** - Amount subject to reserve is 25% of FY10 budget minus capital expenditures (\$1,320,000 x 25% = \$330,000).
11. **Recreation Fund** - Amount subject to reserve is 25% of FY10 budget minus capital expenditures (\$3,432,000 x 25% = \$858,000).
12. **Insurance Fund** - All funds transferred to the Insurance Fund are budgeted to pay premiums and associated costs and are not available for reallocation.
13. **Equipment Services Fund** - This reserve is established for the scheduled replacement of Village vehicles and is not available for reallocation.
14. **Police Pension Fund** - All Police Pension funds are reserved for paying pensions of retired police officers.
