DuPage County to Consider COD Subdivision Request

Glen Ellyn, IL - The DuPage County Plat Committee will consider a preliminary plat of subdivision review for the College of DuPage (COD) on Thursday, May 3, 2012 at 8:30 a.m. The preliminary plat consideration may be informational only, with approval tentatively scheduled for some time in July. The meeting will be held in the DuPage County Division of Transportation Conference Room, 421 N. County Farm Road, Wheaton, IL 60187. The public is welcome to attend. The preliminary plat of subdivision for the College of DuPage planned development re-subdivides lots, dedicates right-of-way, and vacates easements on the College property. The meeting agenda may be found at <http://www.dupageco.org>. Comments may be submitted via email to Paul.Hoss@dupageco.org or via facsimile at 630.407.6702 before May 2.

The College of DuPage is located in the Village of Glen Ellyn. DuPage County has jurisdiction over these matters due to an Intergovernmental Agreement between COD, the Village of Glen Ellyn, and the County executed earlier this month. The County is required to notify the Village of all future plans on the campus and the Village is able to comment and voice concerns at the public meetings, as are all residents of the County and Village.
