

C Data Collection and Analysis Report

The Data Collection and Analysis Report was prepared early on in the planning process. The Downtown Advisory Committee (DAC) reviewed its contents and provided comments before the concept plans were prepared by the consulting team. Excerpts from this section can be found in the main *Downtown Strategic Plan* report.

1 Overview

The "Data Collection and Analysis Report" contained in Appendix C is the report reviewed by the Downtown Advisory Committee (DAC) and distributed to the Village of Glen Ellyn Board of Trustees. A few modifications were made to the original report to fit into the format of the Appendices document of (supplement to) the *Village of Glen Ellyn Downtown Strategic Plan*. The Appendix C sections are as follows:

1. Overview
2. Community Context
3. Land Use
4. Public Policy
5. Physical Conditions
6. Circulation and Transportation
7. Civic Spaces and Events
8. Public Participation
