

Resident Donation Parkway Reforestation Program

Would you like to 'spruce' up the village with a new parkway tree? In addition to the village's new Share Cost Parkway Reforestation Program, residents are encouraged to help fund the purchase of parkway trees through the Resident Donation Parkway Reforestation Program.

A donation of \$250 will fully fund a parkway tree but any amount will help in this effort. Residents may also choose to donate thru a monthly contribution on their Village Services bill. If you choose this option, please indicate your account number and provide your signature authorizing this donation.

Donations will be accepted at the Civic Center, 535 Duane Street, Glen Ellyn, Illinois.

Questions? Call the Public Works Department at 630-469-6756 from 7:00 a.m. to 3:30 p.m. Monday through Friday.
