The Village of Glen Ellyn Lifts Boil Order

Village of Glen Ellyn, IL —The boil order issued by the Village of Glen Ellyn on Tuesday June 16, 2015 has been lifted. All 33 water samples collected were found to be free of bacteria growth. The water is, therefore, safe for human consumption. No further precautionary measures are required by the public.

Please call the Glen Ellyn Public Works Department at 630-469-6756 if you have questions or need further information related to this issue.
