

Flowers

Bread

Coffee grounds

# Yes!

Fruits and vegetables

Yard trimmings and branches

## Is this OK to compost?

Shellfish and fish

Shrink wrap or plastic food packaging

Styrofoam

# Definitely Not.

All metal

Snack wrappers

All plastic

All glass

Any meat and bones

**Americans throw out 40% of their food every year.**

Composting reduces waste, prolongs the life of landfills, reduces the need for pesticides and fertilizer, and produces fewer greenhouse gas emissions than traditional landfills.

We'll handle it from here.™
